DEPORTES EN MARCHA

DEPORTES EN MARCHA

SYNOPSIS

Deportes en Marcha, airing on Sundays from 12-1am, is a benchmark space in the interior of the country. The program reflects everything that is happening in sporting activities with a large segment dedicated to soccer with national tournaments and coverage of the Cordoban teams Belgrano, Talleres, Instituto, Racing and Juniors, in the AFA Championships, from First to Argentine A. This material is complemented by what Athens generates: Boxing, Tennis, Rugby and any other activity that stands out for being played in Córdoba or for having Argentine players.
