SHOWMATCH LA ACADEMIA

SYNOPSIS

This year's program, hosted by Marcelo Tinelli, will combine two formats: The Academy, where participants must learn and show several artistic disciplines; and the Comedy Show.
In The Academy, there will be new challenges and disciplines that will combine a variety of artistic performances with a huge production to make the stage a great show.
You'll be rolling on the floor laughing with the Comedy Show, with seasoned comedians and also newbies. You'll end your week with a smile on your face.
