SYNOPSIS

"El show del lagarto" is the most watched local program of Cordoba's over-the-air television programming, putting its stamp on Cordoba and thus becoming one of the most important news and entertainment programs there. The Morning Show managed to establish its pace, warmth, humor and fundamentally information backed by footage from its mobile teams and commentators in each place. Our slogan: "Don't imagine reality ... we'll tell it to you" has become our mark on local communication.
