

SOS MI HOMBRE

SOS MI
HOMBRE

SYNOPSIS

The story centers on the life and shortcomings of the former boxer, Ringo (Luciano Castro) . It seems as if he left the ring behind, but he is still being challenged by tougher issues: he is in a pitiful economic situation, he is heartbroken and fighting for Santino's custody. Ringo is a fighter on and off the ring , he tries very hard to change the course of his destiny. He makes a living out

of any odd job he finds. He is also a volunteer firefighter in his hometown of La Rivera. Then, there is the young doctor Camila (Celeste Cid), unlike Ringo she is in a very good social position. She comes alive when she aids the less fortunate. She helps out at a soup kitchen and is a resident at a public hospital. Ringo and Camila's path cross, the chemistry between them is intense from the get go, so things will never be the same.
