

MEDIA FALTA

SYNOPSIS

Media Falta is an Argentine telenovela produced by Pol-ka Productions in 2005. The telenovela wanted to show what a public school in Buenos Aires was like and the reality that students and teachers go through there.

Vida Juárez (Gabriela Toscano), who is summoned to become a substitute teacher at the school, will be in charge of a class made up of kids in their hardest teenage years. These young people are going through difficult life situations.
